MEMORANDUM

To: Members of the City Commission

From: Lisa Agnor, City Manager

Date: October 16, 2015

Subject: Report on the status of implementations recommended in the Efficiency Study and savings that have been realized from those implementations

---

Mayor Pro-Tem Moon has requested a report regarding which recommendations from the Efficiency Study have been implemented and the savings which have been realized as a result.

The Staff is in the process of identifying those recommendations that would have a financial impact to the City. We hope to provide this report at the November 12th City Commission meeting.
