

IMAGE ADVISORY BOARD

June 11, 2009 – Marshall, Texas

On the evening of Tuesday June 9, 2009, the City of Marshall's seven member Image Advisory Board hosted a community meeting at the Timber Village apartment complex. Several community members came out to share their ideas to help encourage beautification and deter litter in Marshall. City Commissioner Ed Hoffman was on hand to share ideas with the community and the board. The city's Director of Planning and Community Development, Winston Robinson, is the city department head assigned to the Image Advisory Board, and Robinson along with his staff are working closely with the board to find ways to make the city a cleaner place for those who visit and live in Marshall. The board hopes to host one meeting in each of the board members seven designated areas, during each season. The next meeting for the summer season will be held on Thursday July 16th at the Ryan's Crossing Apartment complex community center. The meeting will start at 7pm. The public is invited to attend and share ideas with the board and city staffers. Through these meetings, the board hopes to encourage citizens to take personal pride in the city and then spread that pride to their neighbors. Everyone is invited to attend, refreshments will be served. For more information on these meetings, contact the City of Marshall's Planning and Community Development office at 903-935-4459.
