CITY OF MARSHALL

COMMISSION AGENDA INFORMATION SHEET:

MEETING DATE: October 08, 2015

PROJECT: Consider approval of the purchase of a Tractor and Flail Mower through the Houston-Galveston Area Council (HGAC) and Buy-Board purchasing co-ops, utilizing Unallocated General Fund Reserves. (Public Services Director)

DESCRIPTION: During the recent budget sessions, a joint request was made by the Public Works and Parks Departments for the purchase of a tractor with a flail type mower attachment for brush and right-of-way maintenance; this type of equipment is badly needed and will make a major difference in our ability to maintain our city right-of-ways and parks. The best part about a flail type mower is that it chips up the limbs and brush, which generates a mulch type residue, instead of chopped up material like a bush hog or boom axe will leave. We are requesting that we move forward with this purchase by utilizing existing General Fund Unallocated Reserves.

The tractor (John Deere 6105) can be purchased locally through Fish & Still Equipment by utilizing HGAC's purchasing co-op contract #GR01-15 at a cost of $56,125.49. The tractor will be shipped to Triple Blade & Steel for installation of the mower attachment.

The flail mower (Diamond 21 ft boom and 50" Flail) attachment can be purchased from Triple Blade & Steel in Forney, Texas by utilizing the BuyBoard's purchasing co-op contract #447-14 at a cost of $59,246; cost includes the mower equipment, installation, and return delivery to Marshall.

Total tractor and flail boom and mower attachment cost is $115,371.49.

Delivery is approximately three (3) to four (4) months.

COST:
$115,371.49
