Agenda Item

Consider approval of an Ordinance amending Section 14-19 of the Code of Ordinances, specifically related to garbage, trash, and weeds within the City of Marshall. (Director of Planning & Development)

Background & Summary of Request:

Our current regulations do not address a minimum clearance above streets and other right-of-ways for easy of vehicular and pedestrian traffic; in addition, our regulations do specifically discuss sight clearances at street and driveway intersections. The proposed amendment establishes the following minimum clearances for sidewalks, streets, and sight visibility for driveways and public streets:

1	Overhead clearances of public sidewalks and other public pathways	Seven (7) feet vertical clearance.
2	Lateral clearance of public sidewalks and other public pathways	Six (6) inches from each edge of sidewalk or pathway.
3	Overhead clearance of streets	Thirteen (13) feet vertical clearance.
4	Lateral clearance of streets	No encroachment over or above the back of curb or edge of pavement.
5	Sight clearance at intersections of public streets	Unobstructed sight distance of two hundred (200) feet.
