RE: Annex Mold Remediation

As you know, over the past year we have remediated and renovated Fire Station 2 on Indian Springs and we have remediated Fire Station 4 on Hughes St. We are in the process of renovations at the Station 4 facility at this time.

ERI has scheduled a contractor for the end of June to remediate the affected portion of the City Hall Annex building. We will clean the affected area then deal with demolition of the jail in the 2018 budget process.
