

MEMORANDUM

To: Members of the City Commission

From: Lisa Agnor, City Manager

Date: September 4, 2015

Subject: Report on the status of the implementation of the OpenGov financial transparency program

This item has been placed on the agenda at the request of Commissioner Calhoun.

The Finance and IT departments have been working closely with representatives from OpenGov on implementing the program. Five years of balance sheets, revenues, expenditures, and check registers have been submitted. At the current time, work is being done on formatting desired reports and charts.

The next teleconference is scheduled for September 16th and we anticipate the program will be available on our website by late September.
