

MEMORANDUM

To: Members of the City Commission

From: Lisa Agnor, City Manager

Date: October 2, 2015

Subject: Report on needed appointments to the various City boards, commissions, and committees

A Resolution was adopted by the City Commission in 2006 that established a three-step process for appointments to volunteer boards, commissions, and committees of the City of Marshall. The first step is for a report to be made in October announcing needed appointments. The announcement is followed by advertising to make citizens aware of the needed appointments and give them an opportunity to express interest in being appointed, if they wish to do so. The second step is for recommendations to be made to the City Commission in November of possible appointees for all vacancies on the boards, commissions, and committees. The third step is for the City Commission to make the appointments in December. The terms for the new appointees begin on January 1st.

Information is attached that provides a summary of the responsibilities of each of the City boards, commissions, and committees as well as information on needed appointments.
