

MARSHALL

ECONOMIC DEVELOPMENT CORPORATION

August 16, 2018

The Honorable City Commission
City of Marshall
P.O. Box 698
Marshall, Texas 75670

The Marshall Economic Development Corporation has requested to appear before the City Commission on August 23rd for consideration of an expenditure in excess of \$50,000 for workforce skilled training equipment. ETBU continues to be in expansion mode and seeks assistance with a growing and successful Nursing Program. Their total investment in the School of Nursing for this project is approximately \$2.75 million.

MEDCO respectfully requests consideration of approval for a workforce training expenditure for equipment in support of the program.

Full details of the proposed project are being provided by separate delivery to maintain confidentiality until such time for the City Commission consideration.

Thank you in advance to present this project before the City Commission.

Sincerely,

Donna Maisel, CECD
Executive Director
