

Borrowing Titles through the OverDrive app (Android Operating System)

1. Install OverDrive's app from Google Play, the Amazon Appstore, or app.overdrive.com, and sign up for (or sign into) your OverDrive account.

Note: *If you're using a legacy version of our app, you won't be prompted to sign up for or sign into an OverDrive account.*

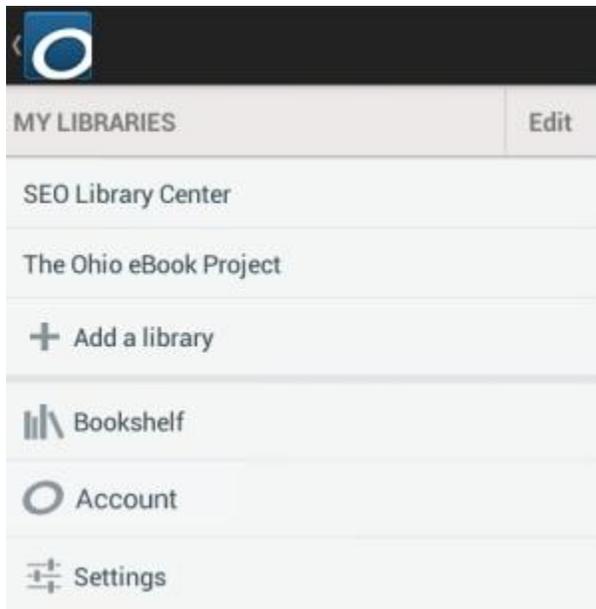

2. From the app, tap the icon in the top-left corner to open the **Home menu** to see your library list.

Or, if you're using the legacy version of our app, tap the  icon near the top-right corner of the screen (if you don't have this button, go to *Menu > Get Books*).

Note: *The **Menu** button typically looks like this , or this .*

Tap a library from the list to go to its digital collection website.

If your list is empty, or you need to add a new library, tap **Add a library** and follow the prompts.

4. On the Northeast Texas Digital Consortium website, look for an available title. You can:

- Browse the titles on the home page.

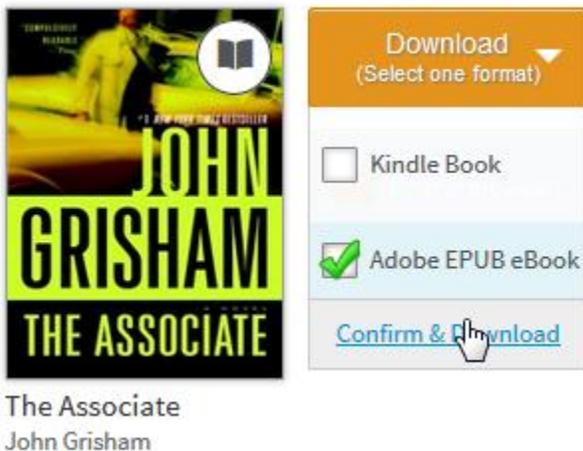

-  Browse categories

-  Search for titles

5. When you find a title that looks interesting, tap or mouse over it, then tap **Borrow**.

Or, select a format (**Kindle Book**, **Adobe EPUB eBook** or **MP3 audiobook**) from the **Download** drop-down menu, then tap **Confirm & Download** to download and add the title to your bookshelf.

If you need additional help, please contact us with your question(s) or set up an appointment.
