

Borrowing Titles through the OverDrive app (Windows 8 Operating System)

1. Install **OverDrive for Windows 8** from the **Windows Store**, and sign up for your OverDrive account.
2. From the app, use the **Add a library** feature to find the Northeast Texas Digital Consortium website.
3. Select a library from your list to go to its digital collection website.

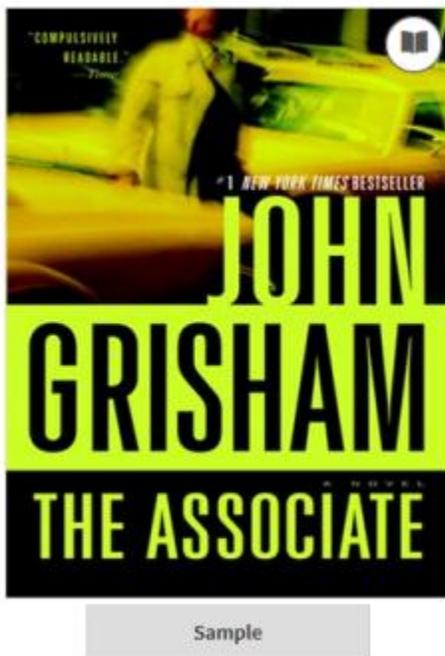

4. On the Northeast Texas Digital Consortium website, look for an available title. You can:
 - Browse the titles on the home page.
 -  Browse categories
 -  Search for titles

5. When you find a title that looks interesting, tap or mouse over it, then select **Borrow**.

Or, select **more** to view the title's details page. From here, select **Borrow**.
If prompted, sign in.
