Press Release

On April 8, 2015, Marshall Police Department was advised of three juvenile escapees that were possibly in or around the Marshall area. Members of the Marshall Police Department's Patrol Bureau; Criminal Investigations Bureau as well as the Criminal Apprehension Team partnered with the Upshur County Sheriff's Department in an effort to apprehend the juveniles.

The three juveniles absconded from the Gulf Coast Trade Center which is a Texas Youth Correctional Facility, located in New Waverly, Texas.

At approximately 3:42 pm, MPD Communications received information that the juveniles were possibly in or around the 1300 block of W. Pincrest. While en route a member of the Criminal Investigations Bureau checked out with a juvenile at the corner of Calvert and Scenic Loop. After further investigation, the juvenile was placed under arrest for Escape. Shortly thereafter the other two juveniles were located in the Brookshire's parking lot and placed under arrest as well. The juveniles were transported to the Willoughby Juvenile Detention Center, where custody was transferred to the care of the detention staff without incident.

Chief Jesus "Eddie" Campa would like to thank all of the officers of the Marshall Police Department as well as the Deputies from Upshur County for their dedication and teamwork. This is another great example that Marshall is a "Great Place to Live".
