Community Service Applications

As of this report date (07.02.20) municipal court has 14 applications that were distributed to defendants at previous court proceedings. These were forwarded to Lt. Huffman at the Police Department for review and assignment to various entities for completion of hours.

This reflects no change in previous months' report and no community service has been performed during this period due to covid-19.

Update on Municipal Court recent plan to reduce inactive cases: **June 2020 Report**

Since the last commission report an interview board convened and an officer from the Marshall Police Department was selected to be assigned to Court Services. Officer Jose Burciaga was selected from five applicants. We look forward to working with Officer Burciaga with regards to the warrant service and community service program. *(Previously reported)*

The Amnesty program and warrant round up will be implemented upon the arrival of Officer Burciaga to the courts in addition to the court restrictions being lifted by the Texas Supreme Court and Office of Court Administration. *(Previously reported)*

I have received a response from DPS regarding the OMNIBase program and I am working to finalize the MOU with Texas Department of Public Safety and the City of Marshall.
