## ORGANIZATIONAL CHART

Mayor and City Council,

Transmitted herewith is the recommended FY2023 budget for the City of Marshall, Texas. Once again it is a balanced and conservative document that aims to provide maximum return to the citizens of Marshall given expanding, but still limited resources. It includes a growing projection of sales and hotel occupancy tax revenue, with a property tax of \$0.565201. The total recommended operating budget is \$34,908,263, which is up significantly over the prior year's budget, minus the projected \$9,000,000 available to the city through the American Rescue Plan Act (ARPA) funds.

ARPA funding is slated to be invested in the upgrade of our utilities' systems. This will allow the city to expand its capacity in borrowing power to focus any bond issuances on general municipal infrastructure needs. In conjunction with infrastructure needs, there are various expenditures recommended within the FY2023 budget to make improvements to the city. They are as follows:

- Employee retention and development efforts through a 3% cost of living adjustment, additional funding for conferences and training, and employee engagement efforts.
- Contractual increases for sanitation, vet services, supply and materials contracts
- Purchasing of a new fire ambulance
- Technology refresh and upgrades
- Two new personnel (Assistant Director of Public Works and Engineer) to focus on asset and project management
- One-time use of fund balance for, etc.

Although a 3% cost of living adjustment was provided, the City of Marshall remains far behind in salary ranges compared to our benchmark cities. In upcoming years, there will be significant discussion of this issue outside the budgetary discussions themselves. In addition, 2023 will be looked at as a foundational year to allow the city to plan and implement the nine Strategic Outcome Areas that were developed during the City Council's 2022 Fall Retreat. These areas include:

1. Vibrant and Growing City
2. Supportive and Engaged Community
3. Safe Community
4. Fiscal Responsibility
5. Resilient Infrastructure
6. Collaborative Leadership
7. Valued Parks and Cultural Amenities
8. Outstanding City Workforce
9. High Performing and Dynamic City Government

The FY2023 budget was created based on conservative assumptions of continued recovery of the local economy, while anticipating increased costs due to fuel, supply chain woes, and inflationary pressures.

The budget does not include funding for the specific Strategic Outcome Areas, but as the city progresses, the budget strategy will be geared around achieving these goals.

In conclusion, the City of Marshall continues to invest in its future while maintaining a conservative budget. There are challenges and opportunities facing the City in the coming year and uncertainties regarding the national economic climate. The FY2023 budget is meant to position the city to be in a place to modernize the organization, while also planning for the future. The FY2023 budget is the end result of hours of work from employees across the City, who provided valuable insight and information during my first year overseeing the budget process. I am grateful to the numerous members of staff who helped produce this budget and to the City Council for its unanimous support.

Sincerely,

A handwritten signature in black ink, appearing to read 'TS', followed by a long horizontal flourish.

## **BUDGET SUMMARY**

The City's 2023 Annual Budget is funded primarily through two types of funds, the General Fund and the Utility Enterprise Fund.

The General Fund is used to pay for core City services. Examples of these services are public safety, parks and recreation, street maintenance, and the library. The revenue to pay for these services comes primarily from sales tax and property taxes, but also includes fees, licenses and permits, fines and other various sources.

The City's property tax is levied each October 1 based on the assessed value of all real and business personal property in the city. The City Council sets the property tax rate. Harrison Central Appraisal District establishes the value of property.

The Utility Fund is funded from water and sewer user fees.

The following pages summarize revenue and expenditures for both of these funds.

The City also has various other funds that are designated for a special purpose and do not support the annual operations of the city. The larger of these funds are shown in this document following the Water and Sewer Utility Fund.

## **GENERAL GOVERNMENT**

Within the General Government budget are line-item budgets for several functions that provide various services to citizens and City departments.

### **LEGISLATIVE**

The Legislative budget funds the costs of elections for the City Council and other costs incurred by or on behalf of the City Council.

### **CITY ATTORNEY**

The City Attorney budget funds the cost of legal services provided to the City. The City Council contracts for the services of a City Attorney.

### **ADMINISTRATION**

The Administration budget funds the operation of the City Manager's office. The City Manager is the administrative head of the City and is responsible for the day to day administration of the City. The City Manager carries out the policies and directives of the City Council. The City Manager ensures that City ordinances, resolutions and regulations are enforced. The City Manager oversees the delivery of services and supervises all departments. The City Manager recommends measures and actions to the Council necessary for the operation of the City and delivery of services. The City Manager is the budget officer for the City.

### **MAIN STREET**

The Main Street program was established in 1982 by the Marshall City Council to provide support for the historic preservation, economic revitalization and promotion of downtown Marshall, Texas. The Main Street program manager commits to creating meaningful improvements to downtowns using preservation-based economic development and community revitalization through the Main Street Approach™. The Main Street Approach™ is centered on the economic development strategies known as Four Points: Economic Vitality, Design, Promotion, and Organization.

### **MEMORIAL CITY HALL PERFORMANCE CENTER**

Memorial City Hall is the premier event venue in Marshall nestled in Historic Downtown. The 1920s-era performance center, exhibit gallery and meeting space includes 550-seat auditorium space, an exhibit area for a permanent installation from the Harrison County Historical Museum, various spaces for temporary art or other exhibits and a 1,400 square-foot meeting or banquet space with a kitchen.

## **ECONOMIC DEVELOPMENT**

Marshall's economic well-being and quality of life are dependent on the success of local and regional businesses. The Economic Development Department is responsible for developing and recruiting businesses, driving employees, and ensuring a high quality of life for residents. The purpose of Economic Development is to prepare the community for success before it arrives.

## **POLICE DEPARTMENT**

The Marshall Police Department's mission is to preserve public safety and quality of life within the City of Marshall, to respond effectively to the changing needs of the community, and to promote mutual respect between the Police Department and the people we serve.

We are visionary and committed to partnering with our community in working together to create adaptive solutions.

The Marshall Police Department works continually to preserve public safety and quality of life within the City of Marshall, to respond effectively to the changing needs of the community, and to promote mutual respect between the Police Department and the people we serve.

The Marshall Police Department works to preserve a high quality of life and feeling of safety for the City's diverse population, all members of the Marshall Police Department are committed to serve with professionalism, respect and concern for the community. To optimize the use of police resources, the Marshall Police Department balances firm and quick response to all forms of crime with crime prevention approaches and community involvement in addressing specific problems.

The Marshall Police Department's philosophy and work processes reflect modern, quality law enforcement concepts and technology, involving every member of the Marshall Police Department in an effort to continually improve all areas of administration and operations. Quality leadership at all levels reflects the Marshall Police Department's commitment to a strong work ethic, while valuing diversity, promoting effective policing methods and through training, enhance and maintain the flexibility to serve the public.

The Marshall Police Department constantly strives for effectiveness in preventing and fighting crime, for effective collaboration with other city departments, and for providing leadership and support for regional law enforcement efforts through several task force commitments. To this end, the Marshall Police Department recruits, hires, trains, supports and retains qualified personnel as sworn and civilian members as a progressive law enforcement agency.

The divisions of the Police Department are Administrative (titled Special Services in the line-item budget), Patrol, and Investigative (titled Criminal Investigation in the line-item budget). The City's Animal Control Division and Animal Pet Adoption Center are also assigned to the Police Department. The Marshall Police Department features many specialized "Divisions" to increase the overall effectiveness of the Department. Specialized Divisions consist of the Crime Scene Unit, Special Response Team (S.R.T.), a Hostage Negotiation Unit, Police Canine Units, Narcotics Unit, Traffic Division, and specially trained Juvenile Investigators. The Marshall Police Department also supports the Crime Stoppers and Community Policing Programs.

## **FIRE DEPARTMENT**

The mission of the Marshall Fire Department is to serve the citizens of Marshall by providing the highest level of Fire Prevention, Fire Suppression and Emergency Medical Services through professionalism and compassion.

The primary mid-range goal is to replace and/or relocate our two current substations. Both of these stations are over 50 years old and bring about many ADA, gender and modernization issues that must be addressed soon.

The primary long-range goal remains the addition of a fire station in the Marshall Business Park area.

Goals of the Fire Department are to continue to meet national and state recommended staffing levels for firefighting operations and improvements towards better communications and safer work environments for our personnel.

Our current mid to long range goals are to build a training facility adequate to meeting the needs of our firefighters as well as the upgrades and potential relocation of our substations in an effort to better meet the needs of our community.

The major responsibilities of the Marshall Fire Department are: Fire Prevention, Fire Suppression and Emergency Medical Services.

The Fire Department also undertakes many other specialized duties including rescue, investigations, inspections, code enforcements, hazardous materials responses and fire hydrant general maintenance.

## **PUBLIC WORKS DEPARTMENT**

The mission of the Public Works Department is to make the City of Marshall the ideal place to live, work and play by delivering the most efficient, professional, and responsive services the residents, business owners and visitors expect.

**STREET MAINTENANCE** is responsible for providing and maintaining safe and convenient thoroughfares within the City of Marshall through professional service; providing a high level concrete and asphalt roadway maintenance, mosquito control services, roadway crack sealing programs, replacing and updating street signs, converting old street lighting to new LED lighting, striping of streets, walkways, and public parking areas, sweeping on public streets and traffic signal light maintenance.

2023 Goals and Objectives of Street Maintenance are:

- Increase roadway maintenance program to the extent possible under current budgets.
- Research and utilize updated repair methods and materials for pothole patching.
- Continue utilizing our work order program and expand its capabilities to better manage resident inquiries\complaints.
- Prepare a ten (10) year Street Improvement Plan utilizing the StreetLogix Data for approval by City Council
- Review\inspect all City-owned traffic signals for upgrade\replacement schedules.
- Replace and add proper traffic control devices (street name signs\stop signs\yield signs) where needed based on current TxMUTCD standards.
- Increase spraying of right-of-ways to prevent vegetation growth.

**SANITATION DIVISION (Contractual)** Through the management of an existing contract, ensure that the existing hauler provides a high degree of customer service for environmentally friendly sanitation collection, recycling, and convenience station operations for city residents and businesses. The Sanitation Division is responsible for providing services through a program of contracted services.

2023 Goals and Objectives of the Sanitation Division are:

- Continue City-Wide Dump Days and Neighborhood Clean Sweep programs each quarter with emphasis on improving each event.
- Initiate an annual educational outreach to educate elementary grade students to recycle and reduce waste through our Keep Marshall Beautiful Program
- Update solid waste and recycling management plan in accordance with the Texas Health and Safety Code.
- Review operations at the Convenience Center to identify ways to improve resident access and costs.

- Look for ways to effectively create free vegetative waste days for residents eliminating the need to use dump passes.

**RIGHT-OF-WAY\SHOULDER MAINTENANCE** - responsible for maintaining all City ROWs which includes trimming all vegetation along the roadside, which includes the pruning of trees and shrubs, and maintaining adequate sight triangles at intersections. This group also assists the Community Appearance Division of Support Services in maintaining the median and ROW of US 59, US 80 as well as other necessary activities related to Right-of-Way Maintenance in accordance with current TxDOT municipal agreements.

2023 Goals and Objectives of Right-of-Way Maintenance:

- Increase litter control on all City roadways.
- Increase trimming\cutting of intersections.
- Create an effective in-house pesticide application program to supplement our contracted spraying.

## **COMMUNITY DEVELOPMENT DEPARTMENT**

The Community Development Department is made up of the following divisions: Planning and Zoning, Building Permits & Inspections, Consumer Health Inspections, Code Enforcement, and Community Block Development Grant.

The mission of the Community Development Department is to enhance the quality of life for the citizens of Marshall by providing a Department that encourages quality growth, development/redevelopment, and the stabilization of neighborhoods through a concentrated effort of planning, land use controls, permitting, and code enforcement.

2023 Goals and Objectives for the Planning & Community Development Department are:

- Continue the implementation of the 2043 Your Vision Your Marshall Comprehensive Plan for the City
- Update Zoning & Subdivision Regulations in accordance with Comprehensive Plan
- Develop and implement economic development programs which increase retail and quality of life recruitment activities
- Create and maintain an interactive map of available properties for development and re-development
- Maximize the use of federal funds to support affordable housing and neighborhood revitalization efforts
- Enhance relationships with community organizations to assist with programs that benefit low to moderate income households
- Collaborate with neighborhoods to reduce code violations and improve property values

## **COMMUNITY SERVICES DEPARTMENT**

The Community Services Department is comprised of the following divisions: Community Centers, Convention Center, and Marshall Public Library.

### **COMMUNITY CENTERS**

The City of Marshall Community Centers provide a space for Marshall citizens to host birthday parties, family reunions, community events, community meetings, and space for recreational usage.

### **CONVENTION CENTER**

The Marshall Convention Center was built to host meetings, banquets, trade shows, exhibits, weddings, and theater performances with the goal of providing excellent, well-maintained facilities and customer service for citizens and visitors alike.

### **MARSHALL PUBLIC LIBRARY**

The Marshall Public Library aspires to be a vibrant destination that ignites imagination, fosters lifelong learning, and inspires the community to greater achievement by enriching, empowering, and educating the community through exemplary services, exceptional resources, and engaging programs.

## **UTILITY ENTERPRISE FUND**

The Utility Enterprise Fund supports the operation of the Marshall Water Utilities Division within Public Works. These divisions operate the water wastewater utility services that include water treatment and distribution, and wastewater collection and treatment. The fund is supported through user fees paid by the City's water and sewer customers and other miscellaneous related fees.

This section of the budget includes the following:

- Utility Enterprise Fund estimated revenues
- Utility Enterprise Fund estimated expenditures
- Utility Enterprise Fund detailed line-item departmental budgets

## **PUBLIC WORKS DEPARTMENT UTILITY DIVISIONS**

The mission of the Public Works Department – Water\Sewer Utility Division is to provide the highest quality drinking water production and distribution as well as wastewater collection and treatment in a professional, effective, and efficient manner, in accordance with TCEQ and EPA guidelines, so that public health, the environment, and quality of life are protected and enhanced.

### **A. WATER PRODUCTION DIVISION:**

This division is responsible for overall treatment of raw water piped from Big Cypress Bayou, which is northeast of Marshall and treating the raw water in accordance with all TCEQ and EPA permit requirements and standards.

2023 Goals and Objectives of the Water Production Division are:

- Continue to follow the comprehensive capital improvement plan that was presented in 2020 as well as the overall City CIP presented in 2022 to ensure that both the Raw Water Intake facility as well as the Water Treatment Plant are operating in accordance with all permits and regulations.
- Plan\design\engineer\construct significant infrastructure improvements utilizing both COVID relief funds as well as Capital Funds generated through the rate increase.
- Monitor current rate structure to insure the milestones identified in the proposed rate study are on target
- Staff will continue to pursue grant assistance and alternative programs to fund infrastructure improvements to meet our City's objectives and Mobilize Marshall.
- In addition to system improvements, our goal is to provide an environment to continue development of our staff by providing the training and incentives to maintain a highly skilled workforce
- Continue to provide a cross-training program for maintenance staff

### **B. THE WASTEWATER TREATMENT DIVISION:**

This division is responsible for treatment of wastewater collected from within our community, and discharging the fully treated water product back into the Parker Creek watershed in accordance with current TCEQ permits and any\all EPA requirements.

2023 Goals and Objectives of the Wastewater Treatment Division are:

- Maintain industrial pretreatment program at highest level possible to greatly reduce or

eliminate contaminant levels of commercial or industrial discharged products.

- Plan\design\construct significant treatment upgrades to the existing WWTP to insure the City is providing the most cost effective treatment program and remain compliant with all current and future TCEQ permits.
- Utilize existing COVID relief funds along with proposed capital expenditures to effectively upgrade both the treatment plant as well as the wastewater lift stations.
- Operate and maintain the wastewater treatment facility at the highest level of efficiency possible to reduce electrical and treatment costs, and extend the expected life of facility components.
- Continue to evaluate all components of the wastewater treatment plant and lift stations as it relates to efficiency and age and prepare replacement schedules in accordance with the existing CIP.

### **C. WATER DISTRIBUTION\WASTEWATER COLLECTION DIVISION:**

This division is responsible for the following functions:

1. Repairs and maintenance of existing collection systems including pipes and manholes to allow for the efficient transfer of wastewater collected throughout the City to the wastewater treatment plant.
2. Repair and maintenance of all potable water distribution piping, valves and hydrants within the City's water infrastructure.

2023 Goals and Objectives of the Water Distribution\Wastewater Collection Division are:

- Continue to respond to breaks within the system and make repairs as quickly as possible to restore services to the City.
- Introduce an aggressive replacement program for the most vulnerable sections of the distribution system.
- Evaluate alternative methods of servicing and repairing the existing infrastructure.
- Continue replacement of older fire hydrants as well as maintenance of existing hydrants coordinated with the Fire Department.
- Expand the use of valve exercising equipment to insure the proper operation of all water valves.
- Evaluate the entire system to determine where deficiencies are within the distribution system to provide interconnect and equalized water flows.
- Continue our comprehensive program to address inflow and infiltration (I&I) of groundwater and storm-water into the wastewater collection system to maintain EPA and TCEQ compliance guidelines.
- Expand program of smoke testing and camera inspections to locate problems within the wastewater collection system.
- Reintroduce an Infiltration\Inflow crew to identify and repair any and all I&I problems within the collection system.
- Research grants or loan forgiveness plans that may be available on state and federal levels to fund replacement of older line and utility infrastructure to assure system integrity.

## **OTHER FUNDS**

The City maintains other funds that have a specific, designated purpose. Four of these types of funds are included in this section.

### **Debt Service Funds**

The General Obligation Debt Service Fund accounts for revenue and expenditures for the payment of long-term debt principal, interest, and related costs for the general fund. On March 10, 2016 the City Commission adopted an ordinance authorizing the issuance of City of Marshall, Texas General Obligation Refunding Bonds, 2016 Series. The issuance of these Bonds resulted in savings of indebtedness on the general obligation debt issued in 2007. In June, 2017, the City Commission adopted an ordinance authorizing the issuance of \$2,000,000 Combination Tax and Revenue Certificates of Obligation, Series 2017 for the purpose of improvements to Memorial City Hall. The certificates were issued July 13, 2017. In August, 2019 the City Commission adopted an ordinance authorizing the issuance of \$1,033,000 of 2019 General Obligation Refunding Bonds. The issuance of these bonds resulted in savings of indebtedness on the 2010A Certificates of Obligation. The bonds were issued August 29, 2019. The City Commission also adopted an ordinance authorizing the issuance of \$853,000 Tax Notes for the purpose of improvements to Memorial City Hall. The Tax Notes were issued August 29, 2019. On August 13, 2020 the City Council adopted an ordinance authorizing the issuance of \$1,795,000 2020 Series Tax Notes. The purpose of these Tax Notes are capital improvements and Downtown Redevelopment projects.

### **Special Revenue Funds**

Several of the City's Revenue Funds are included in this budget document. These funds are used to account for the proceeds and expenditures of specific revenue sources that are restricted to expenditures for specified purposes. They are as follows:

- **Structural Modification Fund**
- **Hotel/Motel Occupancy Tax Fund**
- **Municipal Court Technology Fund**
- **Litter Control Fund**
- **Utility Reserve Fund**
- **Wonderland of Lights**
- **Fleet Management Fund**
- **Animal Adoption Center**
- **Street Maintenance Fund**
- **Emergency Service District – ESD Fund**
- **Municipal Drainage Utility Fund**
- **Library Fund**

## OTHER FUNDS

### Federal Grant Funds

- **Coronavirus Fiscal Recovery Grant** – The City was allocated \$9,078,903 of federal funds from the Coronavirus State and Local Fiscal Recovery Grant. The funding is budgeted to be used for the first year of a five-year utility infrastructure improvements project, replacement of supplies depleted related to the pandemic, and lost revenue during the pandemic.
- **Community Development Block Grant** – The City annually receives a Community Development Block Grant from the U. S. Department of Housing and Urban Development (HUD). HUD provides these funds directly to communities to use to revitalize neighborhoods, expand affordable housing and economic opportunities, and/or improve community facilities and services, principally to benefit low- and moderate-income persons.

## **CAPITAL OUTLAY**

This section of the 2023 Budget contains a separate listing of expenditures in departmental budgets for capital assets. These are things the City will purchase or improvements to City facilities or infrastructure that cost a considerable amount of money and are intended to last a long time. Examples are equipment purchases, street improvements and water/sewer line improvements, vehicle purchases/leases, data processing improvements, computer replacement and book publications for the Library.
