

Cat Toy for Marshall Animal Shelter

Supplies:

Scrap of fleece:
2" wide, 12" long
Yarn
Scissors

Instructions:

- Take the fleece scrap and fold it in half. Make cuts along the edge the length of fleece, taking care not to cut all the way through.

- Unfold the fleece and tightly roll it. Tightly the yarn around the middle section and double knot.

- Form the into a ball shape by fluffing out the fleece. Those shelter kitties are going to have so much fun playing with their new toys!
