CITY SECRETARY

Did you know that the City of Marshall utilizes Municode for codification of ordinances?

Ordinances are written laws that serve as permanent, enforceable laws and are adopted by the [City Council](#). The City Charter and Marshall's Code of Ordinances can be found on Municode's [website](#) or viewed at the Marshall Public Library.

COMMUNITY DEVELOPMENT

Community Development recently welcomed Tami Henderson to the department. Tami is a 1986 graduate of Marshall High School. She is a 1990 graduate of Stephen F. Austin State University where she holds a Bachelor of Arts Degree in Communication with an Advertising Emphasis and a minor in Marketing. Her experiences include administration, customer relations, sports, and medical fields. In her spare time, she and her husband host a formal Valentine's Day Ball every year. She loves the "big city, small town" atmosphere of Marshall and is excited about serving as the new Community Development Block Grant Coordinator.

COMMUNITY SERVICES

The Keep Marshall Beautiful Beautification Awards kick off in April and continue through September. See a residential or commercial property that is well-landscaped and beautiful? Nominate it!

Visit the Keep Marshall Beautiful page on the city's website to complete the [Beautification Nomination form](#) or scan the QR code.

Property owners will be recognized at the City Council meeting and receive a \$50 gift card from Lowe's. Winning properties will also be highlighted on social media and in the *Marshall News Messenger*. Anyone can enter, and self-nominations are encouraged.

FINANCE

The Finance department welcomed two new assistant directors, Kristina Hamilton and Alex Agnor, to the City of Marshall team.

Kristina Hamilton serves as the Assistant Director of Finance and Budget. She holds a Masters of Business Administration and has been accepted to take the Texas State Board CPA exam. Her extensive background and experience in areas of accounting, finance, payroll, benefits, ERP conversion, and training will definitely be utilized in her new position which encompasses many accounting and financial duties within the City. A fun fact about Kristina – her Culinary Arts degree has already been put to good use since she joined the team.

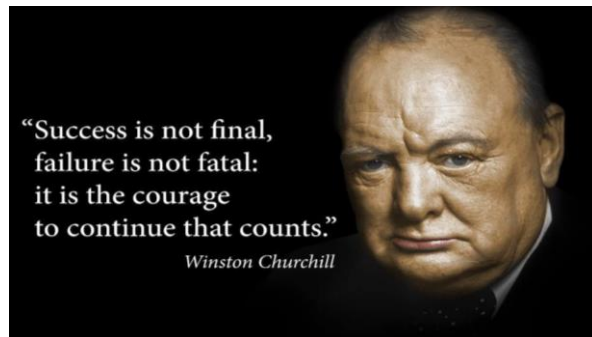

Alex Agnor is the new Assistant Director of Finance and Grants. Alex holds a Masters of Public Administration from University of North Texas and a B.B.A. from Texas Tech where she was in the Honors Program in Management and graduated Summa Cum Laude. Her experiences as Human Resource Manager, Economic Development Coordinator, Public Funds Administrator, and Finance Analyst are a great addition to our team. Alex's new position will include analytical, accounting, and financial duties. Alex is no stranger to city government as she interned with the City Manager's office while in college. You may have worked with or known her mother, Lisa Agnor. An interesting fact about Alex is that she is an 18 year leukemia survivor – go Alex!

FIRE

Daylight Saving Time began on March 12. Did you remember to change the batteries in your smoke detectors when you changed the clocks? The Fire Department encourages residents to do so now and again on November 5 when Daylight Saving Time ends. Working smoke alarms are a crucial part of a home safety plan. Follow these [safety tips](#) from the National Fire Protection Association and the [ones](#) from the Fire Department to make sure your home and family are prepared and protected.

TERRELL'S THOUGHTS

In my almost one year of serving as city manager of Marshall, I am continually being impressed by and discovering more about the community while enjoying many new experiences. This week, it has been fun learning more about the rich history of [Farm City Week](#) and the opportunities presented to students to grow in showmanship while highlighting their efforts as part of the FFA program. This week also reinforced my belief that the Marshall and Harrison County community is truly supportive of its youth and education system.

The city is proud to host participants, families, and sponsors at the City Arena during this special week. As a city, we look forward to more opportunities to collaborate with other entities in the city and county to meet our common goals of excellence, engagement, and exemplary service.
